ORDER:

In the reference read above, the Engineer-in-Chief(R&B),State Roads, Hyderabad has stated that the work of MC road to Juvvaladinne (via) Mungamur " is an important road in Nellore District. The existing minor bridge at Km 1/2 of the road is in dilapidated condition. This bridge caters the needs of the villagers of Mungamur and jadagogula and connects the rest of Bogolu Mandal and NH. The abutment, Piers and wing walls on NH side are collapsed. Cracks have been developed across the abutment on Mungamur side. Also it is scoured and it is undermined near bottom of the footing and piers. The distress signals across abutments, Piers and foundations can clearly be observed and the bridge is likely to collapse at any time. The existing bridge is in low lying area and remains submerged and interrupts the traffic during floods. Also the existing linear waterway is inadequate and vast stretch of land on upstream side remains inundated by large sheet of water during floods, causing scouring and undermining of foundations. Now the bridge is closed for traffic and traffic is diverted on diversion road. The villages of Mungamur, Jadagogula and Juvvaladinne are located in cyclone prone area and as such the villagers are in need of instant attention during floods. He has, therefore, requested to accord Administrative Sanction for Rs. 270.00 Lakhs for the work "Construction of HLB at Km 1/2 of Road from MC road to Juvvaladinne (via) Mungamur in Nellore District" under Plan MDR.

2. Government after careful examination of the proposal of Engineer-in-Chief(R&B) State Roads, Hyderabad, hereby accord administrative sanction for Rs.270.00 Lakhs (Rupees Two hundred and Seventy Lakhs only) for the work "Construction of HLB at Km 1/2 of Road from MC road to Juvvaladinne (via) Mungamur in Nellore District" under Plan MDR.
